

Mary Anning

Kit stopmotion

1. Print these pages in A4 (not double-sided!)

2. Cut out the characters.

3. Create the sets yourself! Paint them, draw them, craft them... it doesn't matter how!

4. Animate the characters using stop-motion! There are free apps available to make it easier for you.

**Aardman
Animator**

And here is a short example of an animation made with this kit:
